Successor Information

In the event of your death or incapacity, or the termination of your organization, The Signatry wishes to still carry out your goals regarding the donor advised fund. A succession plan allows us to continue your legacy. You may designate 1) organizations to receive your grants from your fund and/or 2) successor advisor(s) to continue advising the fund in your absence.

These are the two most common choices for fund succession, but beyond these options, you may tailor the fund's legacy for your individual wishes. To create a more in-depth plan, contact The Signatry at donorcare@thesignatry.com or call 913-310-0279.

Successors may be appointed or changed at any time by submitting a Fund Information Change Form.

Please fill out either Option 1 or Option 2.
